

The Center for Nursing Excellence is proud to announce the **2024 Evidence Based Practice Symposium** featuring UVA Nurse Scientist, Pam DeGuzman.

Monday, May 6, 2024 | 0900-1600

UVA North Fork Discovery Park | Towne Center Four

The symposium will identify the importance of a systematic approach to evidence-based practice, and help you take the next steps in elevating the care you deliver. Join for a day of evidence-based practice, along with nurses from across the Medical Center conducting evidence-based practice projects that are leading to critical practice changes and better patient outcomes!

All UVA nurses welcome.

Register in Workday by scanning, or clicking the QR code.

Contact hours available.

Lunch will be provided.

Learning Outcomes:

- Participants will be able to write a clinical question using the PICO format.
- Participants will be able to apply inclusion criteria to literature to determine the applicability of a study for an evidence-based practice project.
- Participants will be able to use the Johns Hopkins Appendix E to appraise a research article.
- Participants will understand the importance of literature synthesis in the EBP process.

Sponsored by: Nursing Professional Governance Organization

The University of Virginia Medical Center is an approved provider of continuing nursing education by the Virginia Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation
